PRE-LANDSCAPE ARCHITECTURE OPTION (HFPL)

2017-2018

Landscape architecture is the art and science of design, planning and management of the land and the natural and human-made elements upon it. The pre-landscape architecture degree program will prepare you to pursue a Master of Landscape Architecture degree. The Department of Horticulture works in conjunction with the College of Architecture, Design and Construction for you to further your education and obtain a professional degree in landscape architecture.
